Community Driven

The Farm Credit System is deeply invested in the future of California agriculture and we are an integral part of every community we serve.

Our commitment includes:

- Youth Outreach Programs
- Industry Support
- Education and Research
- Local Food Programs
- Rural Community Support

The Farm Credit Advantage

As a customer-owned cooperative established in 1916, we have a personal connection to our customers, the commodities they grow and an individual understanding of the unique financial needs of their operation.

Farm Credit Benefits

- Knowledgeable staff focused exclusively on agriculture
- Access to stable and reliable credit with competitive rates
- Reduction in interest costs from earning cash patronage on Farm Credit borrowings
- As a cooperative, our customer-owners have a voice in how we do business
